

Valuable agriculture Web sites inside and outside of WSDA

The following are some frequently visited Web sites of interest to pesticide license holders:

Inside WSDA

To access the major pesticide laws and rules administered by WSDA, go to <http://agr.wa.gov/PestFert/Pesticides/LawsRules.htm>. To order paper copies, download and complete the form at <http://agr.wa.gov/PestFert/docs/Form4311.pdf>.

To access the WSDA recordkeeping forms, go to <http://agr.wa.gov/PestFert/Forms/FormsTopic.htm#Recordkeeping>.

The Commercial Applicator Financial Responsibility Insurance Certificate (FRIC) is at <http://agr.wa.gov/PestFert/docs/Form4279.pdf>. The Structural Pest Inspector financial coverage forms are explained and provided at <http://agr.wa.gov/PestFert/LicensingEd/CaSpiInfo.htm#spi>.

To find out how to sponsor a recertification course, go to <http://agr.wa.gov/PestFert/LicensingEd/Recertification.htm#SponsoringACourse>.

To learn more about Pesticide Licensing, go to <http://agr.wa.gov/PestFert/LicensingEd/Licensing.htm>.

To learn more about irrigation technology, visit WSDA's Chemigation/Fertigation Web page at <http://agr.wa.gov/PestFert/ChemFert/Links.htm>.

To learn more about the Waste Pesticide Program and view the current collection event schedule, go to <http://agr.wa.gov/PestFert/Pesticides/WastePesticide.htm>

Outside WSDA

Visit WSU's Pesticide Education Program at <http://pep.wsu.edu/Education/educ.html>. Review WSU's very informative Agrichemical and Environmental News at <http://aenews.wsu.edu>. If you like what you see, sign up for an e-subscription.

What is the *Heart of Washington*? It's a campaign that highlights Washington agricultural and food products, the value of agriculture to the state's economy and the key role agriculture plays in sustaining rural communities. Find out more at: <http://www.heartofwashington.com/index.html>.

Review the Ag Retailers Association, "Security of Chemicals in the Pesticide and Fertilizer Industries: A Primer for Retailers, Distributors, Wholesalers and End-Users" at <http://www.aradc.org/secureagribusinessguidelines.pdf>.
